terry and teddy s relationship crumbles and they go in separate directions as they become heroin addicts and seek their dealer s favor in order to feed the addiction

donald goines one of the most prolific writers of the 20th century has influenced many of today s urban writers with his gritty realistic look at the streets for the first time in over a decade his classic expose of a drug dealer s brutal rise to the top of cocaine mountain is now repackaged and reissued in trade with a whole new look to attract new readers as well as long time fans of the legend himself king david was determined to claw his way out of the mean streets of new york city any way he could it didn t matter if that meant battering and robbing old people conning the innocent or even killing a kid s mother lacing cocaine with battery acid for revenge was acceptable too ultimately it meant leaving town now king s made it big and made his way back flush with cash and a cadillac but he hasn t been forgotten or forgiven and when payback time hits he s only got one wish not to die alone

in the 1970s while politicians and activists outside prisons debated the proper response to crime incarcerated people helped shape those debates though a broad range of remarkable political and literary writings lee bernstein explores the forces that sparked a dramatic prison art renaissance shedding light on how incarcerated people produced powerful works of writing performance and visual art these included everything from george jackson s revolutionary soledad brother to miguel pinero s acclaimed off broadway play and hollywood film short eyes an extraordinary range of prison programs fine arts theater secondary education and prisoner run programs allowed the voices of prisoners to influence the black arts movement the nuyorican writers new journalism and political theater among the most important aesthetic contributions of the decade by the 1980s and 90s prisoners educational and artistic programs were scaled back or eliminated as the war on crime escalated but by then these prisoners words had crossed over the wall helping many americans to rethink the meaning of the walls themselves and ultimately the meaning of the society that produced them

the uncontested center of the black pulp fiction universe for more than four decades was the los angeles publisher holloway house from the late 1960s until it closed in 2008 holloway house specialized in cheap paperbacks with page turning narratives featuring black protagonists in crime stories conspiracy thrillers prison novels and westerns from iceberg slim s pimp to donald goines s never die alone the thread that tied all of these books together and made them distinct from the majority of american pulp was an unfailing veneration of black masculinity zeroing in on holloway house street players explores how this world of black pulp fiction was produced received and recreated over time and across different communities of readers kinohi nishikawa contends that black pulp fiction was built on white readers fears of the feminization of society and the appeal of black masculinity as a way to counter it in essence it was the original form of blaxploitation a strategy of mass marketing race to suit the reactionary fantasies of a white audience but while chauvinism and misogyny remained troubling yet constitutive aspects of this literature from 1973 onward holloway house moved away from publishing sleaze for a white audience to publishing solely for black readers the standard account of this literary phenomenon is based almost entirely on where this literature ended up in the hands of black male working class readers when it closed holloway house was synonymous with genre fiction written by black authors for black readers a field of cultural production that nishikawa terms the black literary underground but as street players demonstrates this cultural authenticity had to be created promoted and in some cases made up and there is a story of exploitation at the heart of black pulp fiction s origins that cannot be ignored

inner city communities in the us have become junkyards of dreams to quote mike daviswastelands where gangs package narcotics to stimulate the local economy gunshots occur multiple times on any given day and dreams of a better life can fade into the realities of poverty and disability laurence ralph lived in such a community in chicago for three years conducting interviews and participating in meetings with members of the local gang which has been central to the community since the 1950s ralph discovered that the experience of injury whether physical or social doesn t always crush dreams into oblivion it can transform them into something productive renegade dreams the first part of this book moves from a critique of the way government officials as opposed to grandmothers have been handling the situation to a study of the history of the historic divine knights gang to a portrait of a duo of gang members who want to be recognized as authentic rappers they call their musical style crack music and the difficulties they face in exiting the gang the second part is on physical disability including being wheelchair bound the prevalence of hiv aids among heroin users and the experience of brutality at the hands of chicago police officers in a final chapter the frame or how to get out of an isolated space ralph offers a fresh perspective on how to understand urban violence the upshot is a total portrait of the interlocking complexities symbols and vicissitudes of gang life in one of the most dangerous inner city neighborhoods in the us we expect this study will enjoy considerable readership among anthropologists sociologists and other scholars interested in disability urban crime and race

hip hop literature also known as urban fiction or street lit is a type of writing evocative of the harsh realities of life in the inner city beginning with seminal works by such writers as donald goines

and iceberg slim and culminating in contemporary fiction autobiography and poetry hip hop literature is exerting the same kind of influence as hip hop music fashion and culture through more than 180 alphabetically arranged entries this encyclopedia surveys the world of hip hop literature and places it in its social and cultural contexts entries cite works for further reading and a bibliography concludes the volume coverage includes authors genres and works as well as on the musical artists fashion designers directors and other figures who make up the context of hip hop literature entries cite works for further reading and the encyclopedia concludes with a selected general bibliography students in literature classes will value this guide to an increasingly popular body of literature while students in social studies classes will welcome its illumination of american cultural diversity

this new book is a compilation of many incidents about which jones has written over the years from foreword

donald goines was a pimp truck driver heroin addict factory worker and career criminal he was also one of the most popular black contemporary writers having published 16 novels during his lifetime he unique brand of street narrative and ghetto realism marked him as the original street writer now in the first in depth biography of goines life allen explores how goines made the transition from street hustler to bestselling author with exclusive access to letters photos and family members allen uncovers goines experiences from drugs to prison to violence

now reissued with a fresh new look the first novel written by donald goines one of the most revolutionary writers of the 20th century written while he was in prison and rumored to be his most autobiographical this uncensored gritty book has gone on to inspire street lit and hip hop culture as we know it today the masterpiece about a pimp s struggle to survive in detroit s world of violence and brutal sex after my ninth birthday i began to really understand the meaning of my name i began to understand just what my mother was doing for a living there was nothing i could do about it but even had i been able to i would n t have changed it whoreson jones is the son of a beautiful black prostitute and an unknown white john as a child he s looked after by his neighborhood s imposing matriarch big mama while his mother works at age twelve his street education begins when a man named fast black schools him in trickology by thirteen whoreson s a cardsharp by sixteen his childhood abruptly ends and he is a full fledged pimp cold blooded and ruthless battling to understand and live up to his mother s words first be a man then be a pimp

donald goines s novels have sold millions of copies in the inner cities rappers are big fans originally published in 1974 this high profile paperback reprint takes him mainstream it s about time suzanne rura entertainment weekly

the final episode of the yardie trilogy yush continues the tale of the deadly jamaican villain d whose exploits in the london drug s world have gained headley so many fans controversial as ever

headley says i gave my readers too much to think about with excess so now i m comin at em with a fast paced action story and lots of the gun thing yush is just like yardie and they won t be able to put it down

based on the author s own personal experience of heroin addiction when he was discharged from the air force this fast paced fast talking novel takes us straight to the heart of ghetto life with all its fear and hatred when donald goines was discharged from the air force he was addicted to heroin to support his habit he staged the robbery of a local numbers house and from that experience came eldorado red it s the vicious story of crooks who get richer with the dollars of the ghetto poor he s got it knocked new cars mellow women and plenty of money then he learns that treachery falls at the feet of his own son all those other black writers no matter how well they dealt with black experience appealed largely to an educated middle class largely white readership they brought news of one place to the residents of another goines novels on the other hand are written from ground zero they are almost unbearable it is not the educated voice of a writer who has so to speak risen above his background it is the voice of the ghetto itself michael covino the village voice
