listening was the spirit of the age as the invention of psychoanalysis and of radio marked the turn of the twentieth century virginia woolf and the age of listening brings together contributions which tune into that acoustic quality at once present in woolf s time in her texts and in the readings which here echo those very listening techniques indeed the listening mind as a reading surface for the receptivity and reconstruction of sound waves embodies a shift which informs the thinking of many chapters in this volume in their attention to listeners in the text and to those who make up the work of reception in both english and french these readings consider woolf s oeuvre as an echo chamber reverberating with intertextual echoes in a multi layered representational network they form a constellation of answers to the call of the age of listening

pourquoi penser le biographique n est il pas épuisé le siècle passé semble l avoir vidé de son contenu et de sa substance et l a réduit à un état d affaiblissement presque complet dans le domaine des sciences sociales comme dans celui de la critique littéraire l enjeu de cet ouvrage est d affirmer que le biographique déborde la biographie et de considérer le biographique comme une condition du retour de la biographie au moyen de son dépassement cet ouvrage rassemble des travaux abondant
